The Kitchen

FoodTech Hub Alpha Strauss

The Kitchen FoodTech Hub is a technological incubator providing seed funding, mentorship, industry connections, and a full set of operational services to early-stage ventures operating in all areas of the food and beverage value chain.

With offices in Raanana and Toronto, and \$ 100m under management, GreenSoil Investments funds companies in the agro & food technologies and building innovation sectors. Founded in 2011, GreenSoil's agro & food technologies fund has a portfolio of 6 promising companies and is the largest dedicated fund in this space in Israel.

START-UP NATION CENTRAL

Start-Up Nation Central is an Israel-based non-profit that serves as a gateway to Israeli innovation. The organization leverages its in-depth knowledge of Israel's innovation sector to introduce business leaders, governments, and NGOs from across the globe to the most relevant people and technologies that address their critical needs.
