- (💧) Aquaculture

**GREENSOIL INVESTMENTS**

With offices in Raanana and Toronto, and \$ 100m under management, GreenSoil Investments funds companies in the agro & food technologies and building innovation sectors. Founded in 2011, GreenSoil's agro & food technologies fund has a portfolio of 6 promising companies and is the largest dedicated fund in this space in Israel.

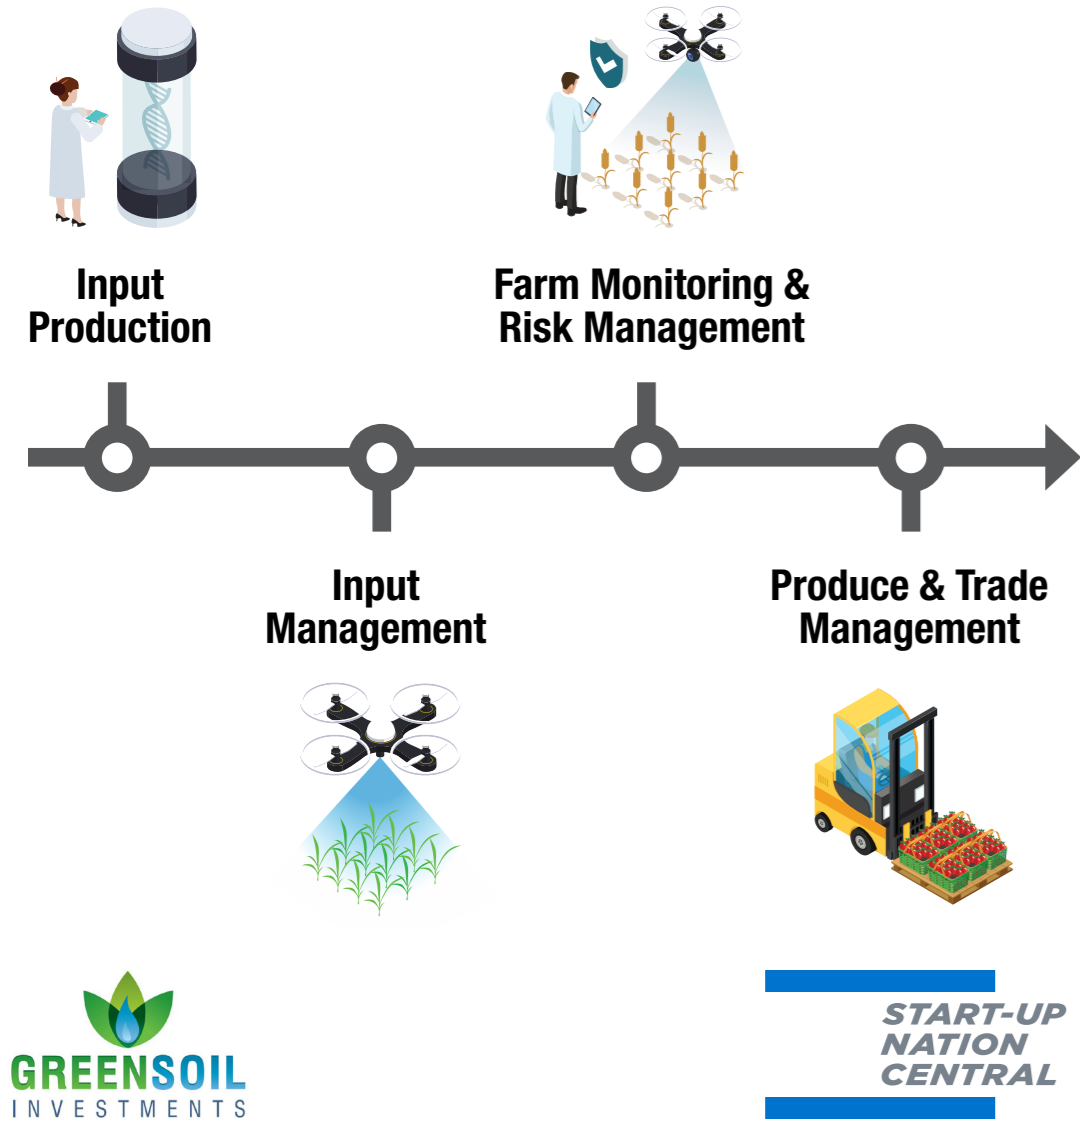

**START-UP NATION CENTRAL**

Start-Up Nation Central is an Israel-based non-profit that serves as a gateway to Israeli innovation. The organization leverages its in-depth knowledge of Israel's innovation sector to introduce business leaders, governments, and NGOs from across the globe to the most relevant people and technologies that address their critical needs.

\* The following map depicts current areas of focus. In addition to application analysis, this year we have added two further layers to our analyses - domain (e.g. crop, livestock or aquaculture) and core technology.
