Start-Up Nation Central is the address for corporations, governments, and investors to connect with the Israeli tech ecosystem. Start-Up Nation Central catalyzes growth opportunities by bringing Israeli tech innovation to global business and societal challenges. Established in 2013 and headquartered in Tel-Aviv, Israel, Start-Up Nation Central is a not-for-profit organization funded by philanthropy.

The Israeli Network of Life Enhancing Technologies (INLET) acts as a conduit to bring the best life-enhancing technologies from Israel to people with disabilities and the elderly around the globe.

Arc Impact invests in promising startups in sectors of impact, including educational technology, workforce training, healthcare, and assistive technologies. Arc’s strategy is to actively invest in early-stage companies and to support sector development through philanthropy.
